Objective

To secure an internship and gain professional experience working on a project in an innovative development environment.

Education

San Jose State University - San Jose, CA
MAJOR PROGRAM: COMPUTER SCIENCE
GPA: 3.5

Expected Graduation: Spring 2019

Work Experience

APPLE INC, Santa Clara, CA

July 2015 - March 2016

Retail Specialist: Helped to create the energy and excitement around Apple products by providing creative solutions and getting products into customers' hands. Demonstrated ability to stay up-to-date on new products and initiatives and readily utilized new knowledge in customer interactions. Enjoyed the quick paced environment and opportunity to collaborate with team members.
